

We are ready to open, for the 1<sup>st</sup> of July

We have introduced all the necessary measures so that the activity can be carried out safely.

We strongly recommend that you make your BOOKING ONLINE (buy a jump) through our website, or by calling 0034 670 313 933

All our common areas are equipped with hydroalcoholic gel dispensers for the correct disinfection of your hands, before and after carrying out the activity.

All our staff will have the necessary protection during their working hours. In addition, the harnesses and pulleys will be individually disinfected after being used by the customer.

New rules for our customers:

The entrance to the office is restricted to two people at a time (remembering that it is a small space) and that whilst waiting outside, a distance of two meters between people should be respected.

The use of face masks is obligatory:-

- In the office (in front of the dock) to collect the harnesses.
- In the vehicle whilst being taken up to the platform.
- In the departure platform (while our operators adjust the harness.)
- On arrival in Portugal at the brake station.
- On the return ferry

We have restricted the capacity of our vehicles for your safety.

As you can imagine, all these rules will reduce our daily capacity, so this summer we highly recommend that you make your ONLINE BOOKING (buy a jump) through our website or by calling 670 313 933.

Let's not prevent the virus from us enjoying!
